Mastered minimalism

Contemporary minimalism displays clean lines, simple shapes and refined palettes. *Compiled by PAULINE MORRISSEY*

SHARYN CARNS

SEEN SKIN Design studio Golden has created the interiors of wellness destination Seen Skin in Melbourne's Prahran. The flagship salon blends polished elements with the raw, including granite counters with polished shelves. designbygolden.com.au

FLIPSIDE PENDANT Melbourne-based lighting designs studio Volker Haug has created an exquisite flip-side pendant. Using angled discs suspended from decorative cabling, these lights can be customised in various finishes. volkerhaug.com

FOMU OVAL SIDE TABLE Notable for its clean lines and minimal aesthetic, the Fomu Side Table is a beautifully refined and versatile item. Featuring a powder-coated steel frame in either black or white, with an optional oak top. fomudesign.com

PI-DOU VASE Inspired by the tubes that run along the facade of the Pompidou Centre in Paris, the Pi-Dou Vase by Tacchini is a re-issue of the work of renowned Florentine ceramicist Alvino Bagni. The striking vases come in various hand-glazed metallic finishes. stylecraft.com.au
